

Cats4Nelson

Collaborating with brands and cats

Hello,

Let me introduce you to @Cats4nelson. Established in 2022 We are composed of 5 cats. I'll list their names in order from oldest to youngest. So there is Percy, Sadie, Scarlet, Ralphie, and Beans. Along with that are 4 hoomans that help make the videos. We are a YouTube channel dedicated to sharing the love of cats with the world.

We have a total of 1 million views and 7,346 subscribers. Our channel has a strong, growing and engaged audience. Our content is mostly viewed by subscribers. There were 104k+ views in the last 30 days. We also have a significant number of views coming from non-subscribers with 52,411 views in the last 30 days. We make short videos, medium length videos, and sometimes long sleep/relaxing your cat videos. Our content is humorous, fun, and family friendly.

Why partner with @Cats4nelson?

Well, because we are a growing and thriving cat channel. We have gained 443 subscribers in the last month. Our audience is engaged, comments frequently on our videos. Also most of our viewers have and/or love cats.
